

Welcome to The Friends of the Copped Hall Trust

The Friends were set up by the Trust in 1998 to enable people who care about Copped Hall to support the Trust and its objectives. Since 1998 the Friends have made a substantial contribution to the restoration of Copped Hall. The income generated by our Friends scheme directly funds the restoration of the house and gardens. Our Friends remain our most important supporters and all of our volunteers start out as Friends.

The Friends of the Copped Hall Trust Committee meet on a regular basis at Copped Hall throughout the year. All members of the committee are elected at the annual AGM and come from teams across the project. As representatives of the Friends the committee aims to represent their interests as well as supporting the Trust in its objectives.

By joining The Friends of the Copped Hall Trust you can help secure the future of this important house and gardens.
